

DBT-BUILDER Program Sponsored workshop on “Applications of Computational Tools to Study Cancer” during March 1 – 2, 2024 at the CENTRE FOR PLANT MOLECULAR BIOLOGY OSMANIA UNIVERSITY

A two-day DBT-BUILDER Sponsored workshop on “**Applications of Computational Tools to Study Cancer**” for **Faculty, Scientists and Students** will be conducted during **March 1 – 2, 2024** for imparting training for **Faculty, Scientists and Students**. The course envisages lectures and practicals keeping in view of the current needs and trends in Computational Tools to Study Cancer.

Application in the following proforma along with complete biodata are invited from eligible candidates through proper channel. Applications should reach the Director on or before **February 27, 2024** by **Speed Post/ E.Mail**

Dr. K. Rama Krishna
Director
Centre for Plant Molecular Biology
Osmania University
