

Call for Papers

Papers are invited in the areas related to the theme and sub themes for Presentation. Abstract to be written in British English. Length should not be more than 300 words in MS Word. The abstract should have a 1.5 inch left border and a 1 inch border for top, right and bottom in A4 size with author details and affiliation and email. Id. Selected full length papers in about 2500 words with key words and references will be published in the form of proceedings with ISBN number. The text in abstract and full papers should be prepared in single spacing and justified using Arial font 12.

Abstracts and papers should be sent to gdcgaj.foodseminar@gmail.com

Important dates:

Last date for sending Abstracts : 22nd June 2018,

Last Date for sending Full length Research/Review papers: 25th June 2018.

Dates of National Seminar: 28th & 29th June 2018

REGISTRATION FEE

Academicians and Scientists Rs.400

Research Scholars & students Rs.300

FOR FURTHER DETAILS CONTACT

Sri R.V.Ramchandrar, Convenor, Phone No.9959513920, 8897354254

Sri G. Ramana Reddy, Co-convenor, Phone No.7032382358

Advisory Committee

Dr.Bandi Raju, Vice Principal

Dr.M.A.Malik, IQAC Coordinator

Dr. M.Ramesh Babu, Academic coordinator

Sri Sangi Ramesh, Assistant Professor of Telugu.

Smt. R. Karuna, Assistant Professor of Commerce

Dr.S. Ramesh, Assistant Professor of Economics

Smt. P. Padmaja, Assistant Professor of Public Administration

Organizing Committee

Smt. Rafia Khanam, Assistant Professor of Botany.

Smt. Nethi Shravani, Assistant Professor of Chemistry

Smt. S.Yamuna Rani, Assistant Professor of Computer Science

Smt. K.Haritha, Assistant Professor of Physics

Smt. Ch. Varalaxmi, Assistant Professor of Physics

Sri V. Veera Reddy, Assistant Professor of Physics

Smt. Shoba Rani, Assistant Professor of English

Dr. Balachandram, Assistant Professor of Commerce

Smt. M.Karuna, Librarian, GDC, Gajwel

Smt. Mamatha, Lecturer in Zoology

Smt. Sharada, Lecturer in Chemistry

Organized by:

Department of Microbiology, Government Degree & PG College, Gajwel

(Affiliated to Osmania University, Re-accredited with NAAC "B" Grade)

Boys educational hub at sangapur, Near Government Model Polytechnic, Gajwel

Siddipet District, Telangana State-502278 Phone - 08454 0232748

TWO DAY NATIONAL SEMINAR "FOOD SAFETY, QUALITY AND POLICY"

AT GOVERNMENT DEGREE & PG COLLEGE, GAJWEL

(Affiliated to Osmania University, Re-accredited with NAAC "B" Grade)

Boys educational hub at Sangapur, Near Government Model Polytechnic, Gajwel
Siddipet District, Telangana State-502278 Phone - 08454 0232748

On: 28-06-2018 and 29-6-2018

Organised by Department of Micro Biology

Sponsored by

**GOVERNMENT OF TELANGANA THROUGH GAJWEL AREA
DEVELOPMENT AUTHORITY [GADA] & COLLECTOR ,SIDDIPET**

Chief Patron : **Sri P. Venkatram Reddy, IAS** Collector, Siddipet Dist.

Patron: **Dr. V. Venkateswara Rao**, Principal

Convenor : **Sri R. Venkat Ramchandrar**,
Assistant Professor of Microbiology

Co-Convenor: **Sri G. Ramana Reddy**, Lecturer in Microbiology

Venue: Conference Hall, Government Degree & PG College, Gajwel

TWO DAY NATIONAL SEMINAR ON "FOOD SAFETY, QUALITY AND POLICY" AT GOVERNMENT DEGREE & PG COLLEGE, GAJWEL

Government Degree college, Gajwel was established in the year 1997. It is one of the premier government institutions in the erstwhile Medak district and present Siddipet district of Telangana State. It is now integral part of KG to PG educational hub for boys, the dream project of our beloved Chief Minister, **Sri K. Chandra shaker Rao**. It is now located in prestigious educational hub for boys at Sangapur, Gajwel in new premises with 72 spacious halls including specially designed advanced laboratories, library, Principal room, office halls and a conference hall. It is also providing residential facility for students of backward classes, Scheduled castes and Scheduled tribes. The college offers B.Sc, B.A, B.com courses with 19 combinations with wide spectrum of choice based skill enhancement courses (SECs) and Discipline specific electives (DSEs) & three PG Courses.

DEPARTMENT OF MICROBIOLOGY

Department of Microbiology was established in Government Degree college, Gajwel in 1997 with one UG course and two sanctioned teaching posts in Microbiology. Our objective is to provide high-quality graduate education, which is both skill and knowledge based. We are actively involved in teaching, community outreach programs, Student research projects, UGC-funded research. We have received one UGC Minor Research Project from UGC SERO. Several students of this department have completed post graduation in Microbiology, Biotechnology, allied subjects and working in Pharmaceutical industries and Research institutions. From 2018-19 academic year, Microbiology is offered with Microbiology Botany chemistry (MBC) and Microbiology, Zoology, Chemistry (MZC) combinations. Department of Microbiology, also extending its services for the establishment of Biotechnology course in UG level from 2018-19 academic year by providing both teaching and laboratory support.

ABOUT THE NATIONAL SEMINAR

The organizing committee for Food Safety, Quality and Policy takes great pleasure in inviting you to participate in the National Seminar. Access to safe and nutritious food is an essential requirement for maintaining their overall health and wellbeing of human beings. As per WHO (World Health Organization), Food safety is a shared responsibility. Food Adulteration and food borne diseases are major threats to Food safety. Food safety is a combined responsibility of food producers, food suppliers, food sellers, food consumers and governments. There is a need for education and training on the prevention of food adulteration and food borne diseases among food producers, food suppliers/dealers, food sellers, teaching faculty, researchers, students and general public. Council of Higher education of Telangana state also included a study course on Food adulteration under CBCS curriculum for students of B.Sc Degree as Skill enhancement course (SEC) as per guidelines of UGC on CBCS for skill development in students. In this scenario, Our college desired to conduct a seminar on "FOOD SAFETY, QUALITY AND POLICY". Eminent scientists from industries research organizations, Professors from Universities, Experts in food law are expected to deliver their oral presentations and enlighten the participants. This seminar will also provide an opportunity to active researchers to present their work and interact with subject experts on current challenges in food microbiology, food sciences and food law and regulation. This national seminar on "FOOD SAFETY, QUALITY AND POLICY" will provide a scientific platform for exchanging ideas and keeping abreast of recent advances in food microbiology and food sciences.

Objectives of National Seminar :

1. To create awareness on food safety among students.
2. To Promote interaction among faculty, researchers, students on Food safety.
3. Identification of new and common adulterants in the foods.
4. Analysis & Study on existing and recent food policies and laws related to food safety.

Themes and Sub themes of the National Seminar

1. Food microbiology Safety and Hygiene

- Food borne pathogens
- Food borne diseases

2. Food Adulteration

- Poisonous or Deleterious Substances
- Filth and Foreign Matter
- Microbiological Contamination and Adulteration
- Economic Adulteration

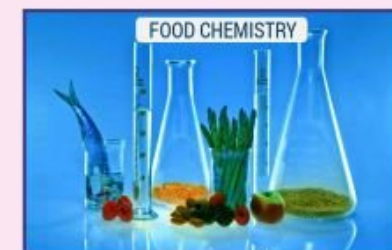

3. Food and Nutrition

- Life cycle nutrition
- Clinical nutrition
- Macronutrients
- Malnutrition
- Dietetics
- Nutrigenetics

4. Food Chemistry and Food analysis

- Food Chemistry
- Food analysis

5. Food laws and regulations

- Food laws.
- Food Regulations and policies
- Food laws regulations related to food hygiene, food additives etc.
