

Center of Advanced Studies in Linguistics, Osmania University, Hyderabad &
Telugu Linguists Forum (TeLF), Hyderabad
Organizing
10th National Conference of TeLF on 28-29 January, 2019

Call for Papers

Telugu Linguists Forum (TeLF), Hyderabad, formed in 2005, to promote research on different areas of structure as well as functions of Telugu language, invites research papers on the role and functions of Telugu in different domains. The forum has been encouraging research on Telugu besides other Indian Languages from the comparative point of views. In addition, TeLF propagates, significantly, implementation of tools available from information technology with reference to Telugu language.

Hence, all scholars, who analyze Telugu language from linguistic point of view are welcome to take part in the activities of TeLF. The main focus of the conference is on classical language, Natural Language Processing (NLP) in addition to Machine Translation and the preparation of Electronic Dictionaries besides Teaching Telugu as First and/or Second language in other states of India with Special reference to our Educational policy.

Hence, the Centre of Advanced Studies in Linguistics, Osmania University, Hyderabad, proposed to organize the 10th National conference of Telugu Linguists Forum on 28-29 January, 2019 and invites papers in any one of the following:

Areas:

1. Telugu Translation activities, issues and solutions.
2. Telugu Language Policy
