

**DEPARTMENT OF CHEMISTRY
UNIVERSITY COLLEGE OF SCIENCE
OSMANIA UNIVERSITY, HYDERABAD 500 007.
hodchem@osmania.ac.in**

Professor M. Devadas

Head, Chemistry

No. /Chem/UCS/OU/2018

Date: 09/03/2018

NOTICE

The **Chemistry Department, University College of Science, Osmania University** is organizing a Chemistry Fest dubbed **Chem Carnival** in view of the ongoing Centenary Celebrations on the **15th and 16th March 2018** in collaboration with **Indian Science Congress Association, Hyderabad Chapter**. Interested participants pursuing BSc and MSc Chemistry at the main campus, in constituent colleges, and associated colleges of Osmania University are requested to register for the event on or before **13th March 2018**. **Venue: Dept. of Chemistry, University College of Science, OU**

The following are to be noted for participants:

1. Student ID card is compulsory.
2. A detailed program schedule has been attached herewith.
3. Cash prizes will be given for all the events and there will be a lot of other attractive prizes other than cash.
4. Lunch arrangements are to be made by the participants.
5. Participants should be on time for all the events, the schedule will be strictly adhered to.
6. Good discipline is expected from all participants.
7. For any queries contact or leave a message with your name to:
i) **90107 90493** ii) **70950 03732**

DAY 1 (15/03/18)

ChemTrivia (Quiz)

Instructions:

- 1) Two members per team
- 2) Any number of teams can participate from each college.
- 3) Contains two rounds; preliminary and main round
- 4) Prelims will be a written round, which includes GK, current affairs along with chemistry.
- 5) The top six teams will progress to the main round.
- 6) The main round will be exclusively on chemistry and it will be conducted orally.
- 7) The organisers' decision will be final.
- 8) For registration send your details through SMS to **+91 77956 59338**,
+91 79970 77630 or +91 85010 52526.

ChemExpo (Posters)

Instructions:

- 1) Two members per team.
- 2) Any no. of teams per college can participate.
- 3) The poster size will be 1mx1m.
- 4) The expo will revolve around the following topics:
 - i) Green Chemistry
 - ii) Applications of chemistry in industries
 - iii) Chemistry in living systems.
 - iv) Future trends and developments in chemistry.
- 5) The organisers' decision will be final.
- 6) For registration send your details through SMS to **+919912166620**

DAY 2 (16/03/18)

ChemHunt

Instructions:

- 1) Three members per team
- 2) Any number of teams can participate from each college.
- 3) The hunt will consist of a preliminary round followed by the ultimate quest for the hunt.
- 4) The clues will be chemistry related and may include some abstract reasoning.
- 5) 8 teams will be allowed for the final hunt.
- 6) The organisers' decision will be final.
- 7) For registration send your details through SMS to **+91 90510 88715,**

+91 99632 78932

ChemRangoli

Instructions:

- 1) Two members per team
- 2) Any number of teams can participate from each college.
- 3) Participants should bring all the necessary requirements by themselves.
- 4) Participants will be allowed a maximum of 60 minutes to prepare their art.
- 5) The artwork should be chemistry-themed.
- 6) The organisers' decision will be final.
- 7) For registration send your details through SMS to **+91 95026 77376,**

+918985399281

ChemChrome (Art)

Instructions:

- 1) Two members per team
- 2) Any number of teams can participate from each college.
- 3) Contains two rounds; preliminary and main round
- 4) The preliminary round consists of a chemistry-themed puzzle
- 5) For the main round the top six participants will be selected from the prelims.
- 6) Participants are required to bring the following: a pen, a pencil, eraser, waste cloth, paint brushes and tray, GLUE, as well as cotton.
- 7) Chemicals and canvas (piece of cloth) will be provided.
- 8) Each team should do their painting only on the provided canvas, using the chemicals provided, and must write the simple balanced equation of the same.
- 9) Judgment will be based on both the painting and balanced equations.
- 10) The organisers' decision will be final.
- 11) For registration send your details through SMS to **+91 77956 59338 or +91 79970 77630**

ChemSkit

Instructions:

- 1) 3 to 5 members per team.
- 2) Any number of teams can participate from each college.
- 3) Skit title is entirely on participants but must be chemistry oriented.
- 4) A maximum of 5 minutes will be allowed for each skit.
- 5) Judgment will be based on the performance and, chemistry content and integration.
- 6) The organisers' decision will be final.
- 7) For registration send your details through SMS to **+919573108704**

Schedule of Events

DAY 1 – 15/03/18

★ Registration	-	9:00 to 9:30 am
★ Inauguration	-	9:30 to 10:15
★ ChemTrivia Prelims	-	10:30 to 11:15
★ Posters	-	11:45 to 12:45
★ ChemTrivia results	-	12:45
★ Lunch Break	-	13:00 to 14:00
★ ChemTrivia Mains	-	From 14:15

DAY 2 – 16/03/18

★ ChemHunt	-	9:30 to 11:30
★ ChemRangoli	-	11:00 to 12:00
★ Lunch Break	-	12:30 to 13:30
★ ChemChrome	-	13:45 to 15:30
★ ChemSkit	-	14:00 to 15:30
★ Valediction	-	15:45 to 16:00
❖ Lecture by Eminent Professor/Scientist for 30 min. followed by Prize and certificate distribution		
❖ Certificates and Prizes are sponsored by Indian Science Congress Association, Hyderabad Chapter.
