**NOTIFICATION FOR APPOINTMENT OF JUNIOR RESEARCH FELLOW
IN THE DST-UKIERI INDO-UK JOINT RESEARCH PROJECT**

No. 06/DST-UKIERI Proj/2017-18

Date: 16.10.2017

The Department of Science and Technology, Govt. of India and UKIERI, New Delhi has sanctioned a Indo-UK Joint research project titled “**Past, present and future of bats in Western and Central India – impact and implications of climate change on species ranges**” under the DST-UKIERI Thematic Partnership Programme.

The project involves great deal of field work, collection and study of bat specimens and their distribution analyses. Training with proven knowledge of molecular techniques, echolocation studies, sound knowledge of bats and wildlife biology, MaxENT analyses, and aptitude to do intense field work are desirable. The project requires cave studies and long duration works during nights in many locations throughout the Western and Central India. Candidates should be able to speak and write Hindi and English fluently, and knowledge of other languages would be helpful.

Applications are invited from eligible Indian nationals for two (2) junior research fellow posts in the prescribed form available at University Press, OJ, Hyderabad or on proforma attached herewith.

Position:	Junior Research Fellow
Fellowship:	As per DST norms
Tenure of Fellowship:	3 years (yearly renewal basis)
Educational Qualifications:	M.Sc. Zoology/Wildlife Biology/Animal Science First Class and National Eligibility Test (NET) qualified*

*Any National Level Eligibility Test for admissions to Research Programmes. Candidates with desired skills and fluency in English and Hindi will be considered. Non-NET candidates with the above desired skills can also apply. If selected, the candidate will be designated as ‘Project Fellow’ and fellowship will be given as per UGC guidelines.

Duly filled in application in prescribed format with relevant enclosures with a **demand draft of Rs. 200/-** of any nationalized bank drawn in favour of the **Registrar, Osmania University, Hyderabad** should reach to **Dr. C. Srinivasulu, Principal Investigator – DST-UKIERI Indo-UK Joint Project, Department of Zoology, University College of Science, Osmania University, Hyderabad 500007** on or before 10 November, 2017.

Dr. C. Srinivasulu
PI, DST-UKIERI Indo-UK Joint Project
