

Dr. J. Ramchander M.Sc., Ph.D
Professor of Organic Chemistry
Email: ramorgchemou@gmail.com

Dr. J. Ramchander completed his B.Sc., M.Sc. and Ph.D. Degree from Osmania University. He joined as Lecturer in chemistry in Osmania University during 1998. He was promoted as Associate Professor of Chemistry in 2012. He became Professor in 2015. He has 11 years of research experience and 19 years 5 months of PG teaching experience and his research area is "Organic Synthesis involving C-C bond formation and thiazole ring formation and Investigation of their Photo physical Properties,,. He has published 17 research papers in national and international journals. Under his supervision, two students of five year integrated M.Sc. Chemistry, has submitted project dissertation work. He served as Incharge Principal in OU PG College Bhiknur and as warden for six years, NSS Programme officer for three years and as Head, Department of Chemistry Nizam College during 2015 -2017. He has conducted one day National Seminar entitled **"Recent Application in Medicinal and Material Devices" (NSRAMMD-2016)** on 2nd July 2016 as a Convener in Department of Chemistry, Nizam College. He has also conducted one day Indo- French Interaction Programme for UG and PG students during the year 2016 in Department of Chemistry, Nizam College as a Convener. He has invited few eminent scientists from synocules research lab and interacted with UG and PG students for their development of lab skills. He is a member of various committees.
