

**Dr. A Panasa Reddy A M.Sc., Ph.D**

Professor of Physical Chemistry

Email: reddypanasa@gmail.com

---

Dr. A. Panasa Reddy received his Ph.D. in 1985 from Osmania University, Hyderabad, India in the area of Solid State Electrochemistry, then he has joined in Department of Chemistry, Osmania University, Hyderabad, India as a Assistant Professor from September, 1986. In 1998 promoted as Associate Professor and next promoted as Professor in July, 2007. He was awarded with minor research project by UGC in 1998 in the field of Anodization of Valve metals and their alloys in Nizam College. He worked as a Special Officer in the examination branch of Nizam College during 1998 to 2002. In P.G.College Secunderabad he worked as Academic Coordinator from 2003 to 2007. In University College of Engineering he worked as Chief Superintendent of Examinations during the period 2009 to 2016. Presently working as Head Department of Chemistry, College of Engineering from 2009 and also the Coordinator for B.E. First year Block of Engineering College.

Three Ph.D. Degrees were awarded under his Guidance and presently eight students are working with different fellowships. He published 35 research papers in International and National Journals. His current area of research is on Electrochemistry and Synthesis and Characterization of Nanomaterials.

Currently he is a member of Telangana State Pollution Control Board, Life Member of Indian Science Congress Association and Life Active Member of Society for Advancement of Electrochemical Science and Technology. He is a member Board of Studies in Chemistry for many of the reputed autonomous Engineering Colleges of Telangana State and Andhra Pradesh.
