

**Dr. Shivaraj M.Sc., Ph.D**

Professor of Inorganic Chemistry

E-mail: Shivaraj\_sunny@yahoo.co.in

---

Prof. Shivaraj currently the Principal, University College of Science, Osmania University received his Master's Degree and Ph. D. from Osmania University. He joined as Assistant Professor in Osmania University in 1986. He has 30 years of teaching experience in the Osmania University and as a Professor 11 years. He has guided 11 students for their Ph. D. degree. His research area is bio-coordination chemistry: Design, synthesis, crystal structure and biological activity of metal complexes. He Published 71 research articles in various national and international journals. He received 4 research projects worth Rs.66.00 Lakhs. He has organized three conferences in the department of Chemistry, Osmania University and presented 30 papers in national and international conferences. He has delivered 15 invited Lectures in National and International Conferences. He delivered an invited lecture at international conference in Nanjing China during 16<sup>th</sup> – 19<sup>th</sup> November 2016. Recently he delivered an invited lecture in ICC 5th International Conference at Bali Indonesia during 6<sup>th</sup> to 11<sup>th</sup> June 2017. His research group received young scientist, best poster and best oral presentation awards in national and international conferences. He is an Executive member of Indian Council of Chemists (ICC) from 2011. He is reviewer of research articles for Journal of Coordination Chemistry, Journal of Scientific research, Journal of American Chemical Science, British Journal of Pharmaceutical Research, Journal of International Research in Medical and Pharmaceutical Sciences. He is life member of Indian Science Congress Association (ISCA), Indian Association of Chemistry Teachers (IACT), Indian Council of Chemists, Indian Chemical Society (ICS), International Congress of Chemistry and Environment and member (ICCE), American Chemical Society (ACS) 2010-12. He is a member of Board of Studies of Chemistry of Osmania University, Yogivemana University, Satavahana University, Telangana University, Dravidian University, Gulbarga University etc. He has delivered 40 lectures in academic staff colleges of different Universities. He was appointed as resource person for DD Saptagiri Tele Conference organized by Ambedkar Open University and as Visiting Fellow under UGC Scheme to Sri Venkateswara University, Thirupathi. He was a member in many committees in the University such as Steering Committee member of implementation of UPE programme, Committee member for the award of Gold medals, Committee member to find out irregularities in O U affiliated B. Ed. Colleges, Committee member in DST- FIST, Committee member for restructuring CBCS system in P. G. courses, O.U etc. Recently Osmania University has appointed him as Chairman for Cultural Committee for Centenary Celebrations. He has served as an Administrator in the Osmania University and Palamuru University holding different positions, beginning as Warden, Nizam College, Youth Welfare Officer, O.U., Joint Director, Directorate of Academic Audit, O.U., Controller of Examinations, O.U., Director, Directorate of Admissions, Osmania University. Dean Faculty of Science, Palamuru University, Registrar -Palamuru University Director, PGRR Centre for Distance Education, Osmania University. Presently, he is the Principal, University College of Science, Osmania University and Organizing Secretary, 105<sup>th</sup> Indian Science Congress. Recently he has been appointed as Executive member of Telangana State Council of Higher Education.
