---

Dr. B. Sireesha has been working as Professor, Department of Chemistry, Osmania University since 2007 and at Nizam College from 2011 onwards. She has completed her M.Sc. in Chemistry with Inorganic Chemistry specialization in 1992 and was awarded Ph.D. in Chemistry in 1997 from Osmania University. She has 23 years of teaching experience at U.G and P.G level and has 24 years of Research Experience, published over 30 Research Papers in reputed International and National Journals with good impact factor. She has also presented 22 research papers in National and International conferences.

Dr Sireesha's field of research is Coordination Chemistry, Bioinorganic Chemistry, Computational Chemistry, Crystallography, DNA Binding and Cleavage Studies. 10 Research scholars are currently working for their Ph.D. degree and 2 of her research scholars have submitted their Thesis. Under her supervision about 20 P.G. students have completed their dissertation work. She has completed One UGC Minor research Project 2009-2011, funded by UGC-SERO, Hyderabad and presently has one ongoing UGC Minor research Project 2017-2019, UGC-SERO, Hyderabad.

She has delivered guest/invited lectures in various colleges/conferences. She is a Co-Author for TS Government, Telugu Academy English and Telugu media Text books for B.Sc., Chemistry Semesters I, II, III and IV, for the CBCS Syllabi.

She is presently working as Incharge Head Department of Chemistry, Nizam College. She has been a member of several committees at Nizam College, Osmania University. She is working as Academic Coordinator for the last 4 years, and also is coordinator for Implementation of CBCS at UG level in the College. She is a Life member of Indian Chemical society, Kolkata, Indian Association of Chemistry Teachers (IACT) Mumbai, International Society of Teachers and Researchers in Chemistry Bhubaneswar and Indian Society of Analytical Scientists (ISAS) Mumbai.
