

Dr. Boda Sakram M.Sc., Ph.D
Assistant Professor of Organic Chemistry
Email: bschemou@gmail.com

Dr. B. Sakram is working as Assistant Professor, in Osmania University from May, 2007 and presently working at Department of Chemistry, Nizam College since 2013. He obtained his Ph. D from Kakatiya University. He has completed his M.Sc., with Organic Chemistry specialization from Kakatiya University. He has 15 years of teaching experience at UG and PG levels and above 15 years of research experience. His research interest is Organic synthesis of heterocyclic compounds and their applications C-H bond activation. He has published 18 research papers in international and national journals and also participated in various conferences/seminars. He has received projects from various funding agencies like UGC (Minor) and DST-SERB. Under his supervision 8 students are currently working for their Doctoral research and 4 M.Sc. students have completed their project work. He is a reviewer of international journals such as Elsevier & IJC Section B. He is a life member of Indian Science Congress and Indian council of Chemists.
