

Dr. G. Vijaya Charan M.Sc., Ph.D

Associate Professor of Inorganic Chemistry

Email ID: drvijayacharan77@gmail.com

Dr. G. Vijaya Charan is working as Associate Professor at Department of Chemistry, University College for Women, Koti, and Osmania University. She is presently appointed as “Head of the Department”, University College for Women, Koti, Osmania University. She has completed her M.Sc. with Inorganic Chemistry specialization from University College for Women Koti, Osmania University, in 1999 and she was awarded Ph.D. from University College of Science, Osmania University, under the able guidance of Prof. B. Satyanarayana University College of Science, Osmania University, on the topic “Novel green Zirconia doped Heterogeneous Metal Oxide Catalysts in various organic transformations”. She has 17 years of teaching experience and 9 years of research experience. She has published 11 papers in various National and International journals. Her area of research work is Synthesis of Catalysts, Nano-materials and studying their Characterization and Applications. She has attended and presented Papers, Posters at various National and International Seminars/Conferences/Workshops. Her Academic and Administrative achievements, as Academic Coordinator, Head of the Department, Student Advisor, and also a member for women’s cell Committee.
