

**Dr. P. Sunitha Manjari M.Sc., Ph.D**

Assistant Professor of Physical Chemistry

Email: [psmanjari76@gmail.com](mailto:psmanjari76@gmail.com)

---

Dr. P. Sunitha Manjari is working as an Assistant Professor in Department of Chemistry, University College of Science, Saifabad, Osmania University since 2013. She pursued her B.Sc., M.Sc., and Ph.D. in chemistry from Kakatiya University, Warangal, Telangana State, India.

Dr Manjari has 18 years of teaching and 15 years of research experience. Her area of research interests are in the Design and Synthesis of Molecules of biological Significance, Development of Newer Methodologies in Organic Synthesis and Homogeneous catalysis in redox reactions. She has published over 14 Research Papers in reputed International and National Journals. She has also presented research papers in various National and International conferences. She has delivered guest/invited lectures in various colleges.

Under her supervision 6 research scholars are currently working for their Ph.D. degree. Her research activities are supported by various funding agencies like UGC, and CSIR, New Delhi, India.

Dr Manjari is a member of several committees of University College of Science, Saifabad, Osmania University. She is presently working as an Academic Coordinator, University College of Science, Saifabad, Osmania University.
