

**Workshop  
on  
Animal Cell Culture**

**June 26-28,2018**

**Central Facilities for Research & Development  
Osmania University**

*Organized by*

**Director  
Central Facilities for Research and Development  
Osmania University  
Hyderabad - 500 007  
Ph: 040 - 27682469/27682470**

## **Workshop:**

The objective of this program is to expose and train budding life science students and research scholars with advanced and state of the art techniques enabling them to carry out research in frontier area of science and technology. As a part of this program we are to organize workshop train students in basics of cell culture. The present workshop help fresh and old students to explore state of art research facilities enabling them to address their research problems or explore job opportunities.

## **Central Facilities for Reaserch & Development(C.F.R.D)**

Osmania University is one of the institutes in the country, where scientific research and development activities were given due recognition and encouragement. To further, strengthen the scientific research and development activities in the Osmania University, in the year 2009, UGC has granted financial support under XI Plan. With these grants, the University established a Central Facilities for Research and Development (CFRD) in the campus with 54,000 Sq.ft accommodation to house the facilities like Central Instrumentation Lab, Information Technology and Communication Lab etc., and offers sophisticated, high-tech instrumental facilities under the supervision of its trained staff to the Faculty, Scholars, Students and other Research Institutes/Industries.

We aim to provide most Sophisticated, Calibrated Instrumentation facilities on par with the best National and International Scientific Institutes. At the core of our endeavors is the VISION and MISSION of the Osmania University, which seeks to promote professional and technological expertise and meet contemporary regional and national needs.

## **Work Shop:**

Animal Cell culture

## **Who should attend:**

*\*All Life sciences Research scholars, College teachers from private and Government educational institutions.*

*\*\*All M. Sc students pursuing Life Science / B. Tech / M. Tech (Biotechnolog)/Pharmacy*

## **Fee Structure:**

Individuals from educational institutions (Osmania University): Rs. 3000/-

Other than Osmania University: Rs. 4000/-

**Payment mode:** DD in favor of "*The Director, C.F.R.D., O.U*", Hyderabad.

Number of participants limited to **20** (selection of candidates will be on first come first serve basis)

Application should reach on or before: **June 20<sup>th</sup> 2018**

On Completion of programme 'certificates' will be issued

## **Features:**

1. Hands on training
2. Individual guidance

**Note:** Accommodation and travel will be the responsibility of participants

All the applications along with DD should be mailed to the following address:

Prof.S.Satyanarayana Singh  
Director  
Central Facilities for Research and Development  
Osmania University  
Hyderabad - 500 007
