## About Osmania University

Osmania University, established in 1918, is the seventh oldest in India, the third oldest in south India and the first to be established in the erstwhile princely state of Hyderabad. Through out its existence of over Ten decades, it has shown remarkable progress and sustained an integrated development of all faculties. It has significantly contributed to the academic and economic development of not only the region but also of the Country. Its alumni have distinguished themselves nationally and internationally in various spheres of life and are spread far and wide around the world. Osmania University is re-accredited by the National Assessment and Accreditation Council (an Autonomous Institution of the University Grants Commission) as 'A+' Grade University.

## About Department of Commerce

The Department of Commerce came into existence as an independent wing of Osmania University in 1945. M.Com (Finance), and M.Com (Information Systems) programmes are offered in the University campus and in the three constituent colleges. The Department is also imparting Commerce education at Undergraduate level, through a network of about 500 affiliated colleges to about 1,50,000 Commerce students. The Department has been making intensive efforts to improve its profile, by serving the community on different fronts, in the form of imparting education through various courses, undertaking projects financed by the U.G.C., ICSSR, State Government, Industrial establishments etc., and encouraging intensive research on topics of contemporary relevance.

## About the Conclave

The Doctoral Conclave-2023 is a unique platform for Doctoral and Post-Doctoral Scholars from diverse streams of Commerce and Management to come together and discuss their research interests, ideas, and findings. The conclave aims to facilitate interactions between Scholars and experts from academia and industry, leading to the exchange of ideas and the exploration of new frontiers in research. The theme for this year's conclave is "Exploring New Frontiers in Research," which aims to bring together innovative research ideas and practices from various Universities and Institutions across the nation.

## Key Features

- Keynote speeches by subject experts in the field of Commerce.
- Thesis presentations by Research Scholars.
- Networking sessions with experts from academia and industry.

## Objectives

- Encouraging research passion and innovation through problem identification.
- Discussion-based approach to research guidance.
- Present and discuss your research with a distinguished network of academicians.
- Obtain recognition for your research and interact with a highly intellectual community.

## Learning Outcomes

- Enhance your ability to think divergently by gaining practical insights from distinguished subject experts.
