

INTERNATIONAL CONFERENCE ON

Multifunctional Materials for Societal Applications

(ICMMSA-2025)

CHIEF PATRON

Sr. Prof. Kumar Molugaram
Vice Chancellor, Osmania University

PATRONS

Prof. G. Naresh Reddy
Registrar, Osmania University
Sr. Prof. S. Jithender Kumar Naik
OSD to VC, Osmania University
Prof. B. Lavanya
Dean, Development & UGC Affairs
Sr. Prof. D. Karuna Sagar
Dean, FoS, Osmania University
Prof. G. Prabhakar
Principal, UCS, Osmania University

CONFERENCE CHAIR

Prof. M. Srinivas
Head, Department of Physics
Osmania University, Hyderabad

ORGANIZING SECRETARIES

Prof. M. Prasad
Prof. J. Laxman Naik
Prof. Md. Shareefuddin
Dr. B. Ravinder Reddy
Dr. N. V. Prasad

Greetings from Osmania University (OU), Hyderabad! It is our pleasure to invite you to the International Conference on Multifunctional Materials for Societal Applications (ICMMSA-2025), organized by the Department of Physics, Osmania University, from 26-28th March 2025 in Hyderabad, Telangana, India.

ABOUT OSMANIA UNIVERSITY

Established in 1918, Osmania University is one of India's oldest and most prestigious institutions, accredited with an 'A+' Grade by NAAC and UGC has accorded a status of University with Potential for Excellence to Osmania University in 2012.

ABOUT DEPARTMENT OF PHYSICS

The Department of Physics, also founded in 1918, offers advanced programs like M.Sc. (Physics), M.Sc. (Applied Electronics), and PG Diploma in Radiological Physics, along with specialized research in areas such as Solid State Physics, Nano Science, Materials Science, and Environmental Radiation Physics.

The department is supported by funding from agencies like UGC-SAP, DST-FIST, and DRDO, contributing to impactful research. We warmly welcome your participation in ICMMSA-2025 to share knowledge and foster collaborations for societal advancements.

ABOUT THE CONFERENCE

The aim of the program is to expose the research scholars to the research topics being pursued globally by the researchers / teachers of various Materials Science groups. The emphasis of the department is to promote multidisciplinary research for finding solutions to real-world problems through its cutting-edge research on all the novel materials. The ICMMSA-2025 will include the PLENARY talks, KEY NOTE lectures, and INVITED talks delivered by eminent speakers from National and International institutions. The ICMMSA-2025 will also provide an opportunity to present research work in the form of oral / poster presentations.

THEME OF THE CONFERENCE

- Material Properties and Characterization
- Emerging Novel Materials
- Materials for Energy Applications
- Electronic and Optoelectronic Materials
- Biomedical Materials
- Nano Materials and Nanotechnology
- Smart and Responsive Materials
- Materials for Ecological Sustainability
- Radiation and its applications
- Materials for Information Technology
- Luminescent / Phosphor Materials
- Materials for Engineering Applications

ABOUT HYDERABAD

Known as the "City of Pearls," Hyderabad was once a global hub for trade in rare diamonds, emeralds, and natural pearls. It is home to iconic historic landmarks like Charminar, Golconda Fort, Mecca Masjid, and Qutub Shahi Tombs. Famous attractions also include Falaknuma Palace, Chowmahalla Palace, Shilparamam, Durgam Cheruvu, and the Cable Bridge. Visitors can explore religious sites like Birla Mandir and Jagannath Temple, cultural gems like Salar Jung Museum, and natural attractions like Hussain Sagar Lake, Nehru Zoological Park, and KBR Park. The city is well-connected through the South-Central Railway and the Rajiv Gandhi International Airport, located 22 km from the city, offering seamless travel.
