About One Nation One Subscription - ONOS

Introduction

- The Prime Minister of India in his address to the Nation from the ramparts of the Red Fort on 15th August, 2022, had pointed out the importance of Research and Development in our country in the *Amrit Kaal*. He had given the clarion call of "Jai Anusandhan" on the occasion.
- 2. The National Education Policy, 2020 (NEP 2020) has also identified research as a corequisite for outstanding education and development in our country.
- 3. In response to the vision of making India Atmanirbhar and Viksitbharat@2047, the Government of India approved One Nation One Subscription scheme to provide country-wide access to international high impact scholarly research articles and journal publications to students, faculty and researchers of all Higher Education Institutions managed by the central government and state governments and Research & Development Institutions of the central government.
- 4. The One Nation One Subscription (ONOS) intends to acquire national licenses for e-journal/database subscriptions from most of the prominent journal publishers. A total of 30 major international journal publishers have been included in ONOS. All the journals published by these publishers will be accessible to the students, faculty members and researchers of the participating institutions.
- 5. The initiative will open a goldmine of knowledge available in top quality scholarly journals to nearly 1.8 crore students, faculty members, researchers and scientists of all disciplines, including those in tier 2 and tier 3 cities, thereby encouraging core as well as interdisciplinary research in the country.
- 6. The ONOS is starting its operation from 1st January 2025. ONOS phase-I has been approved for the calendar years 2025, 2026 and 2027.
- 7. Access to journals are being provided through national subscription coordinated by the Information and Library Network (INFLIBNET) Centre, an autonomous inter-university centre of the University Grants Commission (UGC), Gandhinagar, Gujarat.
- 8. The Department of Higher Education, Government of India will have a unified portal "One Nation One Subscription" (https://www.onos.gov.in/) through which the institutions will be able to access the journals. The ANRF will periodically review the usage of One Nation One Subscription and publications of Indian authors of these institutions.
- 9. One Nation One Subscription is a timely step towards establishing India in the global research ecosystem by bringing ease of doing research to the doorstep of all students, faculty members and researchers in the government institutions.

Background

Before ONOS, access to subscription journals were being acquired through different library consortia of government departments, academic and R & D institutions; and through individual subscriptions by various higher education and R & D institutions. The major 10 library consortia were:

SI. No.	Consortium/Group of Institutions/Department/Ministry
1	E-Shodh Sindhu (ESS) Consortium under Department of Higher Education (DHE)
2	National Knowledge Resource Consortium (NKRC) of the Department of Science & Technology (DST) and Department of Scientific and Industrial Research (DSIR)
3	DERCON Consortium under Ministry of Earth Sciences (MoES)
4	CERA Consortium under Department of Agricultural Research & Education (DARE)
5	DRDO Consortium under Department of Defence Research and Development (DDR&D)
6	Electronic Resources in Medicine (ERMED) Consortium under Department of Health Research (DHR)
7	Ministry of Electronics and Information Technology (MeitY)
8	DeLCON Consortium for Department of Biotechnology (DBT) and North- Eastern Region Institutes
9	Department of Atomic Energy (DAE) consortium
10	Department of Space (DoS) consortium

In addition, many Higher Education Institutions used to subscribe some of the journals of these publishers at the institution level.

How to Access resources under ONOS?

The different types of access modules under ONOS based on the existing infrastructure of the participating institutions are as under:

- i. For Institutions who have their own static IP address for subscription to journal resources (example: University / Central Government Higher Education Institutions/ Research Institutions, etc.): For such institutions, access will be available through:
 - Campus wide-Network: This means any computer /laptop/mobile device connected in Campus network will automatically get access to articles from all considered publishers. No separate individual user registration is required.
 - Off-campus Access through INFED: using user Id and password through Shibboleth based Institute Identity Provider (IDP) authenticated by

INFED Access Management Federation setup at INLIBNET Centre, Gandhinagar.

- ii. For Colleges & Institutions NOT having Static IP Address
 - Centralized IDP setup at INFLIBNET using INFED is maintained by INFLIBNET Centre and institutional users managed by Librarian/nodal person of the Institute
 - Authorised users from member Institutions are required to get their User
 ID and password from their respective colleges.
- iii. Existing government users of any of the consortia, including state government higher education institutions having their static IP address are being automatically ported to the ONOS portal for smooth transition. Any of these users, if they face any issue, should write to email to support[at]onos[dot]gov[dot]in along with name, designation and contact details (mobile, email) of institute nodal officer.

Subject Categories

- Agricultural and Biological Sciences
- Arts and Humanities
- Biochemistry, Genetics and Molecular Biology
- Business, Management and Accounting
- Chemical Engineering
- Chemistry
- Computer Science
- Decision Sciences
- Dentistry
- Earth and Planetary Sciences
- Economics, Econometrics and Finance
- Energy

- Engineering
- Environmental Science
- Health Professions
- Immunology and Microbiology
- Materials Science
- Mathematics
- Medicine
- Neuroscience
- Nursing
- Pharmacology, Toxicology and Pharmaceutics
- Physics and Astronomy
- Psychology
- Social Sciences
- Veterinary
- Multidisciplinary

One Nation One Subscription (ONOS) Publishers List with No. of Journals

SI. No.	Publishers	Total no. of Journals
	AAAS- Science
