## Osmania University – A Profile

Osmania University, the beacon light of higher education and a centre of academic excellence, was established in the year 1917. Founded by His Exalted Highness Mir Osman Ali Khan, Asaf Jah VII, the Nizam of Hyderabad, it takes pride in being the seventh oldest university in the country, the third oldest in South India, and the oldest in the state of Telangana. It was the first University to impart higher education through Urdu as the medium of instruction, until the mid-1950s, when the medium of instruction was changed to English.

Until recently, Osmania University was the largest affiliating University in Asia with more than 1000 colleges affiliated to it. Currently, around 721 affiliated colleges spread over three districts of Telangana (Hyderabad, RangaReddy, Medchal-Malkajgiri, Siddipet, and Medak) cater to the educational needs of nearly 3.35 lakh students. It was accredited with a 'FIVE STAR' in 2001, reaccredited with 'A' in 2008, and with 'A+' grade in 2017 by the NAAC. The University has also been granted 'Category I' status by the MHRD and UGC in 2018. It has been ranked 26th among Universities in the National Institutional Ranking Framework for 2019. It has figured among the "Top 300 BRICS and Emerging Economies 2019" and ranked among the "Top 250 Asian Universities" by the Times Higher Education World Universities Ranking. It was ranked 34th in the first-ever QS India Ranking 2019 and 141st in the QS BRICS Ranking 2019. It has been consistently ranked among the best ten universities in the country for the last nine consecutive years as per the surveys conducted by the India Today - Nielsen and the Week-Hansa Research Survey. Osmania University has been conferred with the coveted status of University with Potential for Excellence (UPE) during 2012 which has been extended in 2017.

With a sprawling campus on hundreds of acres towards the east of the historic city of Hyderabad, Osmania University is a multi-faculty and multi-locational university, offering a comprehensive education system with over 66 academic disciplines and 53 departments spread over eight campus colleges, five constituent colleges, and five district PG colleges. The University has expanded right from the day of its inception and has contributed to knowledge generation, dissemination in all academic disciplines including science and technology. It offers about 33 academic courses at the Under-Graduate level (with 125 combinations) and 88 courses at the Post Graduate level, in addition to providing research facilities for M.Phil. in one and Ph.D. Programmes in 65 disciplines. The staff strength varies from time to time and currently, it has 464 teaching and 1486 non-teaching staff.

Addressing the needs of the society and keeping pace with the changing dynamics in academia, the University has started encouraging distance mode of education too. Accordingly, a Distance Education Center, called Prof. G. Ram Reddy Centre for Distance Education, named after one of the greatest educationists of our times, Prof. G. Ram Reddy,

---

was set up on the Campus. The Centre offers around 40 UG, PG and Professional courses in different disciplines approved by the AICTE, New Delhi. It caters to the needs of higher education for over 50,000 students per annum, who prefer to pursue their education at any stage of their life.

The campus is also a home away from home for nearly 3630 international students from about 77 countries. The University has forged academic and research collaboration with over 28 National and 21 International Institutions and Universities. It has introduced several measures to achieve a paradigm shift from a teacher-centric to a learner-centric approach.

The research pursuits at the University are wide-ranging, interdisciplinary and of a high order. All the departments in the University and 14 specialized research centers and five academic centres have been performing exceedingly well in their respective realms. The teaching faculty of many departments receive grants from the University Grants Commission (UGC) and other funding agencies to promote research in various fields. Twenty departments are covered under the UGC Special Assistance Programmes, with several of them being recognized under COSIST / ASIST / ASIHSS programmes. Five departments have acquired the status of “Centre for Advanced Studies” (CAS). Fourteen departments have been receiving funds under the FIST program of DST without any interruption.

Seventeen departments of Science and Engineering faculties have received fellowships from the UGC under the BSR schemes. The University College of Engineering is supported under III-Phase, while the University College of Technology is supported under II-Phase of TEQIP Programme. Osmania University is the only State University to be awarded the DBT-ISLARE project, under which it has established the Interdisciplinary School of Life Science for Advanced Research and Education (ISLARE) with a funding of Rs. 15.00 crore. The University has also received a grant of Rs.17.10 Crore under the research incentivization scheme through DST-PURSE. It also has been the recipient of the UGC Centre with Potential for Excellence in Particular Area (UGC-CPEPA) sanctioned since 2011. The University has to its credit two major international research projects under the support of UKIERI. The University has also been awarded a grant support of rupees one hundred seven crores (Rs. 107 cr) by MHRD, Government of India under the RUSA 2.0. Under this project, with the “Entrepreneurship, Employability, and Career Hub” theme, the University has established Osmania Technology Business Incubator, 7 Centres of Excellence, 12 college-level Mini Centres of Excellence, High-Performance Computing Facility amongst many activities aiming to enhance quality in research and education. The University has also been selected for establishment of School of Education under MHRD’s Pandit Madan Mohan Malaviya National Mission for Teachers and Teaching.

---

The University has launched several new initiatives in teaching, learning, and research to keep pace with the global trends in higher education. These initiatives are aimed at empowering the students with knowledge and skills, improving their academic performance and increasing their employability. Specifically, they include: Choice Based Credit System (CBCS), continuous evaluation through internal examinations, assignments, seminar presentations, project work etc. New Courses are being introduced from time to time. A few such courses are: M.Sc. (Pharmaco Informatics), M. Pharm., M.Sc. (Sports Nutrition), M.Sc. (Sports Physiology), M.Sc. (Sports Biochemistry), along with several PG Diploma, Diploma and Certificate Courses in the fields of Health care, IT and hospitality management, etc.

In collaboration with many national and international organizations through MoUs, the University has established linkages with the industry for promotion of sponsored research and consultancy. The Technology Development Centre (TDC) is helmed to promote incubation facilities in Engineering & Technology. The University has established Central Facilities for Research & Development (CFRD) to provide high-end analytical and other facilities with the state-of-the-art modular and computing labs catering to research needs, and Osmania Technology Business Incubator to create and foster innovation ecosystem on the campus.

To empower students, enhance professional competencies and hone skills, the University has initiated various support services such as career guidance, job fairs (melas), healthcare, psychological counseling, mentoring, personality development, communication skills, and soft skill development. It has established the Competitive Examinations Coaching Centre, Directorate of Placement Services, SAHAYAM – A Psychological Counselling Centre, English Language Training Centre (ELTC), University Computer Centre, and University Health Centre.

Keeping abreast of the newer trends and increased efforts to match the standards set in the higher education sector in India, Osmania University aims to retain its presence amongst the top best State Universities of India.
