## CIPET - Admission in Diploma Level Programmes for the academic year 2022-23

# CIPET ADMISSION TEST 2022

Apply Online: <https://cipet2022.onlineregistrationform.org/CIPET/>

Sl. No.	Name of Course	Course Duration	Entry Qualification
1	Diploma in Plastics Mould Technology (DPMT)	3 Years	10th Std.
2	Diploma in Plastics Technology (DPT)	3 Years	10th Std.
3	Post Graduate Diploma in Plastics Processing & Testing (PGD-PPT)	2 Years	3 Years Degree in Science
4	Post Diploma in Plastics Mould Design with CAD/CAM (PD-PMD with CAD/CAM)	1½ Years	Diploma in Mechanical / Plastics / Polymer / Tool / Tool & Die Making / Production / Mechatronics / Automobile / Petrochemicals / Industrial / Instrumentation Engineering / Technology or DPMT / DPT or Equivalent

\* Candidates appearing for the entry qualification examination are also eligible to apply for all the above courses

**No Age Bar | Eligible for Govt. Scholarship | Separate Hostel Accommodation for Boys & Girls**

<b>CIPET ADMISSION TEST (CAT)</b>	Date of opening for CAT Online application submission	27.02.2022	Scan to Apply 
	Date of closure for CAT application submission	05.06.2022	
	Date of CAT all over India	19.06.2022	
	Date of commencement of courses	16.08.2022

Sub: CIPET Admission for Postgraduate Diploma in Plastics Processing & Testing (PGD-PPT) for the academic year 2022-23 – reg.

Sir,

Central Institute of Petrochemicals Engineering & Technology (CIPET) (formerly Central Institute of Plastics Engineering & Technology (CIPET)) is a premier National Institute under Ministry of Chemicals & Fertilizers, Govt. of India, is dedicated to skill Development, Technology support, Academic and Research (STAR) activities in the field of Polymer Science & Technology. The institute works with 42 locations across the country. CIPET is ISO 9001:2015 QMS, ISO/IEC-17020 & ISO/IEC-17025 certified, indicating the excellence and genuiness of its STAR activities.

CIPET: CSTS – Hyderabad established in the year 1987 with the fund support of State Govt. & GOI for providing Education and Technical Services to the polymers and allied industries in the state of Telangana. CIPET: CSTS – Hyderabad is well equipped with the state-of-art facilities in Design, CAD/CAM/CAE, Tooling, Plastics Processing, Testing Departments in order to meet the customer requirements by providing Quality Education & Technical services in the said area.

The following specialized course is conducted for the Science Graduates

Name of the Course	Duration	Eligibility
Postgraduate Diploma in Plastics Processing & Testing (PGD-PPT)	2 Years	B.Sc in Science

More than 80% of Graduated Students are being placed in various Polymer & Allied industries in every year viz., Reliance Industries, NAPCO group of Companies, Skoda, Bosch, Videocon, Maruthi, Wipro, Motherson, Sudhakar Pipes, Supreme and Prince Pipes etc. The students from SC/ST, BC/Minorities and Economically weaker sections category can apply for State Govt. Scholarship.

We request your good self to share the above information to all the Affiliated Degree colleges of your esteemed university to avail the benefit of the said program. We sincerely thank for your kind support & patronage in meeting Govt. of India objectives of creating trained & skilled manpower for manufacturing petrochemical industries.

With regards,

Yours Sincerely,

  
(B. Srinivasulu)
