Advertisement for the post of Project Assistant

7th Dec 2019

Applications are invited for the post of project assistant to work in the research project entitled "**Characterization of the role of a *Xanthomonas oryzae* pv. *oryzae* secreted virulence factor CbsA in the induction of rice immune responses**" sponsored by Department of Science and Technology at **Centre for Plant Molecular Biology, Osmania university, Hyderabad.**

Eligibility: M.Sc. Biochemistry/Microbiology/Biotechnology/Genetics with minimum 55% aggregate marks or equivalent CGPA from any UGC recognized university. Preference will be given to candidates who have at least 1-2 years of lab experience in the areas of Biochemistry and Molecular biology. Experience in rice tissue culture techniques is desirable.

Salary/Fellowship: Rs 20,000 per month consolidated

How to apply: Interested and eligible candidates are required to apply in the prescribed form, obtainable from the Osmania University press along with **Demand Draft of Rs. 50/- (Rupees Fifty only) in favor of the Registrar, Osmania University, Hyderabad -500 007.**

The completed applications may be submitted by hand or by post to the following address on or before **24th December 2019**. Only shortlisted candidates will be called for interview. No TA/DA will be provided for attending the interview. The post is purely of temporary nature and is not an appointment in the University. The selected person will not have any claim in the university for absorption on permanent basis.
