

Dr. Rama Krishna Kancha  
Assistant Professor

**Osmania University**

Molecular Medicine and Therapeutics Laboratory  
Centre for Plant Molecular Biology (CPMB)  
Hyderabad – 500007, Telangana, India

**Date:** 4<sup>th</sup> January 2022

**Advertisement**

Applications are invited for Research Assistant to work in the ICMR-funded project “Genomic data guided approach for drug repurposing to overcome inhibitor resistance in cancer”. Preference will be given to candidates with experience in Computational biology (Cancer genomics, kinase biology, pathogenicity prediction, homology modeling, molecular docking etc.) and Cell biology (Mammalian cell culture, cell proliferation assays, protein isolation and estimation, SDS-PAGE, western blotting etc.).

Salary for the Research Assistant is Rs. 31,000 for the first year followed by an increment of Rs. 1,350 as 10% increment for second and third years. The appointment is for one year initially followed by extension based on the work progress of the candidate. Applicants are required to send a soft copy of CV to ickrishna@gmail.com on or before 20th January 2022.

(Dr. Rama Krishna Kancha)
