ADVERTISEMENT FOR RESEARCH PROJECT ASSOCIATE (PA)

Applications are invited from suitable candidates for Project Associate-I (PA) to work on the following project sponsored by SERB-SURE, under the supervision of Prof. Yadagiri Bhongiri (Principal Investigator), Department of Chemistry, University College of Science, Osmania University, Hyderabad.

Title of the project:	Green Synthesis of Nitrogen and Oxygen Contains Hetero cyclic Compounds via Novel Methodologies and their Biological Evaluation; File No. SUR/2022/001828; dated 06 July 2023
Duration of the project:	36 months (approximately); Purely temporary and co-terminus with the project duration.
Project position and number:	Project Associate-I and only 'ONE' position.
Fellowship:	PA-I@25,000 + HRA (applicable)
Eligibility requirements:	M.Sc. or equivalent with 55% marks.
Age limit maximum:	28 years for PA; Age relaxation applicable as per the SERB norms.
Desirable:	Preferably M.Sc. (Organic Chemistry) with at least 6 months research experience in organic synthesis.

Interested and eligible candidates may apply in prescribed format with their bio-data along with attested copies of certificates along with a *Demand Draft (DD) of Rs. 100/- drawn* in favour of the "Registrar, Osmania University, Hyderabad-500 007", to the following address by post or by hand on or before 10-Nov-2023 (Last Date) as above-mentioned PI address.

The prescribed format of applications are available at *University Publication and Press*, Osmania University. Shortlisted candidates only will be called for interview. Further, it is also informed that TA/DA will not be provided for attending an interview. *For any clarifications/quires feel free to contact Principal Investigator directly.* Please also see the University (OU) website for online advertisement of the same.

Prof. Yadagiri Bhongiri

(Principal Investigator)
