

Dr. Venkateswar Rao Pallapothula M. Sc., LLB., Ph. D

Professor of Inorganic Chemistry

pallapothulav@yahoo.com

Professor P Venkateswar Rao has completed his B.Sc., M.Sc., LL.B, Ph.D from Osmania University. He joined Osmania University as Assistant Professor in the year 1989 at P.G College Mirzapur. He was transferred to Nizam College in the year 1997 and was promoted as Associate Professor in July 1998. He became Professor in the year 2006. He worked as Head, Department of Chemistry, Nizam College from 2012-2014 and was transferred to Department of Chemistry, O.U Science College in Nov. 2014. Since then he has been working in Science College O.U. He has got 29 Years of teaching and research experience and has successfully guided six students for Ph.D degree. He has got 56 publications in international and National Journals. His research area of interest is coordination Chemistry, Synthesis and Characterization of metal complexes, Catalyst and synthesis and applications of nano particles and Biological activity, DNA binding studies of ligands and metal complexes.
