

Dr.D.Radhika Yadav, LL.M, Ph.D
PRINCIPAL
University College of Law
Osmania University

Dr.Radhika Yadav has graduated in Economics, Political Science and Public Administration as her main electives in the stream of Arts before pursuing her Bachelors in Law with Distinction, with a passion to excel in the field of teaching legal subjects, has also pursued her Masters in Law (LL.M) with Crimes & Torts as specialization from PG college of Law.

Apart from being qualified in NET (National Eligibility Test) in her early years after LL.M, she has also pursued other Diplomas like Intellectual Property Rights (IPR) among others and has risen from being an Assistant Professor to the position of the Principal of the Prestigious Osmania University College of Law.

With a keen interest in the subject matters of law and more importantly about the National Security Laws, she has dedicated her research about the Safeguards and Measures on Anti Terrorism Laws and has obtained her Doctorate in Terrorism Laws in the year 2011.

Having more than 2 decades of vast teaching experience in various subject areas like Jurisprudence, Law of Property, Law of Torts among others has started her profession in teaching initially at Sultan-ul-uloom college of law and then at AMS College of Law for Women before moving to teach at the University College of Law at Osmania Campus.

Being endowed with the ability to foster improved academic collaboration that results in academic and research excellence in teaching and practical sessions for the students and faculty to achieve national engagements, she has organised and participated in a large number of seminars and conferences at both the national and state levels throughout her career.

With profound knowledge due to keen interest in law and allied subjects like Jurisprudence and Criminology, was always proactive to initiate and undertake several workshops and training programmes with promoting the inclusion of various stake holders in addition to developing the skills of the students by sensitising the faculty and teachers to ensure holistic educational development and scientific temper for a progressive law-abiding society, also conducted several exclusive sessions on awareness about legal knowledge and community responsibilities to various schools, colleges, as well as institutions involving all the stake holders.
