Biotech Inventions: What is and is not Patentable?

on 05-03-2022 (Saturday) at 05:00 P.M. – 06:15 P.M. (IST)

Resource Person

Mr. Syed Afsar Ali Bukhari

Patent Attorney,
Registered Indian Patent Agent

About the Resource Person

S.A.A. Bukhari is a Patent Attorney with more than 15 years of experience of working in biotech industry. He has defined and implemented defensive and offensive patent strategies for various biotechnology products. He actively advises senior management of companies on the IP risks to business activities, and on implementing mitigation measures. S.A.A. Bukhari has experience of all aspects of patent practice, including drafting, freedom-to-operate, patentability analyses, due-diligence, contested proceedings, licensing, and patent prosecution cutting across various geographies.

Academically, S.A.A. Bukhari holds a Masters' degree in Science in the Life Sciences discipline, and a Masters' degree in Law with specialization in Intellectual Property Rights. Additionally, he is admitted to practice before the Indian Patent Office as Patent Agent.
