About Osmania University

Osmania University, established in 1918, is the seventh oldest in India, the third oldest in south India and the first to be established in the erstwhile princely state of Hyderabad. Through out its existence of over Ten decades, it has shown remarkable progress and sustained an integrated development of all faculties. It has significantly contributed to the academic and economic development of not only the region but also of the Country. Its alumni have distinguished themselves nationally and internationally in various spheres of life and are spread far and wide around the world. Osmania University is re-accredited by the National Assessment and Accreditation Council (an Autonomous Institution of the University Grants Commission) as 'A+' Grade University.

About Department of Commerce

The Department of Commerce came into existence as an independent wing of Osmania University in 1945. M.Com (Finance), and M.Com (Information Systems) programmes are offered in the University campus and in the three constituent colleges. The Department is also imparting Commerce education at Undergraduate level, through a network of about 500 affiliated colleges to about 1,50,000 Commerce students. The Department has been making intensive efforts to improve its profile, by serving the community on different fronts, in the form of imparting education through various courses, undertaking projects financed by the U.G.C., ICSSR, State Government, Industrial establishments etc., and encouraging intensive research on topics of contemporary relevance.

About the Conference

ICCFSD is a two-day conference providing a platform to share research findings on climate finance and sustainable development - risks and rewards. It includes keynote speeches by renowned researchers and exciting experiences. The theme for this conference is "Protect our Future Planet" which highlights the urgent need to tackle climate change and achieve sustainable development through affordable, scalable solutions, and seeks advice to develop roadmaps for climate finance.

Conference Objectives

- To explore the role of climate finance in promoting sustainability, through alternative energy, organic agriculture, resilient environments, livable cities, and waste reuse.
- To invite governments, communities, and companies to share their action plans for achieving net-zero emissions and mitigating the impacts of climate change.

Panel Discussion: Shaping a Sustainable Economy

A diverse panel of experts including policymakers, government officials, professionals, entrepreneurs, farmers, professors, and research scholars will discuss and create an action plan for a sustainable economy. The plan will support mitigation and adaptation actions to address climate change and rebuild economies and businesses sustainably, creating a cleaner, greener, healthier, safer, and more resilient future.

Opportunities with ICCFSD

- Opportunities to meet experts, receive guidance, and publish work.
- Chance to win Best Presenter Award and receive participation certificates.
- Represent your university globally among diverse institutions by participating in ICCFSD.

Publication Details

The best papers will be published in Scopus Indexed or UGC Care Journals or ISBN Edited Book after undergoing a rigorous peer-review process by the highly qualified editorial board. The organizing committee will review the submitted abstracts and full papers to decide on the inclusion of the paper.
