

Alumni Meets

Alumni Meet of 1967 Batch

Alumni Meet of 1970 Batch

Alumni Meet of 1993 Batch

Alumni Meet of 1996-2000 Batch

Alumni Support

Donation of Rs. 2,00,000 on the eve of Golden Jubilee celebrations of 1970 batch

Rs. 4,00,000 utilized for the establishment and equipment for Power Systems Computation Lab donated by 1981-85 batch

Rs. 2,00,000 utilized for establishment and equipment of BE Projects Lab donated by 1979-1983 batch

Donation of Rs. 4,00,000 by 1973 batch

Thank you for your support

Present Faculty

PLATINUM JUBILEE CELEBRATIONS 2023-24

DEPARTMENT OF ELECTRICAL ENGINEERING
UNIVERSITY COLLEGE OF ENGINEERING (A)
OSMANIA UNIVERSITY, HYDERABAD-500007, TELANGANA, INDIA

Department of Electrical Engineering
Invites
Sponsors for Platinum Jubilee Celebrations

Diamond Sponsors: Rs. 15 Lakhs

Gold Sponsors: Rs. 8 Lakhs

Platinum Sponsors: Rs. 10 Lakhs

Silver Sponsors: Rs. 5 Lakhs

Bronze Sponsors: Rs. 2 Lakhs

Explore all categories of Sponsorship through this link

About Osmania University

Sr. Prof. Dandeboina Ravinder
Vice - Chancellor, Osmania University

Osmania University, established in 1917, is the seventh oldest in India, the third oldest in south India and the first to be established in the erstwhile princely state of Hyderabad. Throughout its existence of over ten decades, it has shown remarkable progress and sustained an integrated development of all faculties. As a public state University of Government of Telangana, it has significantly contributed to the academic and economic development of not only the region but also of the country. Its alumni have distinguished themselves nationally and internationally in various spheres of life and are spread far and wide around the world. As per NIRF the university is ranked 22nd among the top universities in India and achieved the 46th position in the Overall category. According to QS Global rankings, it falls under the 1201-1400 rank band and 351-400 among the top World and Asian universities respectively. It received the ‘WCRC Leaders Asia, World’s Best Brand 2022 award – Osmania University’ at House of Lords, London, UK during October 2022.

Sr. Prof. P. Laxminarayana
Registrar, Osmania University

The University is re-accredited with A+ Grade by the National Assessment and Accreditation Council (NAAC) an Autonomous Institution of the University Grants. It has eight University Colleges also known as campus colleges with 53 departments in total. There are five constituent colleges that are outside the campus and 500+ affiliated colleges (Government and Private) offering technical and non-technical courses at both Under-Graduate and Post-Graduate levels.

Major Equipment

Three Phase Eleven – Level Cascaded H-Bridge Inverter	Three Phase Seven-Level Neutral Point Clamped Inverter	Feeder Protection Unit	IPM Power Module with DSP Controller
Photo Voltaic Training and Research Kit	PLC and SCADA Systems	Relay Protection Test Set	3 - Level Diode Neutral Clamped Inverter
DSP based Multilevel Inverter Fed Induction Motor Drive	Electrical Machines	Three Level and Five Level Converters	Wind Emulator

University College of Engineering

Sr. Prof. Sriram Venkatesh
Principal, UCE, Osmania University

The University College of Engineering (UCE), Osmania University has the distinction of being the oldest and the biggest among the Engineering Colleges of the erstwhile State of Andhra Pradesh, established in the year 1929. The College was declared autonomous by the University in 1994 and by UGC in 2010. The University’s accreditation by NAAC with A+ grade and Category-I graded autonomy by UGC are applicable to the College. The institution has received ISO 9001:2015, 14001: 2015 and 50001: 2018 certification in 2023. The college has established three centers of excellences namely, Centre Product Design, Development and Additive Manufacturing (CPDDAM), Cyber Security and Cyber Law, Artificial Intelligence and Machine learning.

About Department

Prof. E. Vidyasagar
Head EED, UCE, Osmania University

The Department of Electrical Engineering, University College of Engineering (Autonomous), Osmania University has started in 1949 to offer B.E in Electrical Engineering. Presently, the department is offering B.E. in Electrical & Electronics Engineering. The Post-Graduate course in Electrical Machines was started in 1966. With a view to provide diversity and industrial orientation to the Post Graduate program, currently the department is offering M.E. courses in Industrial Drives & Control and Power Systems, which were introduced in 1971. The Department also offers part time PG courses in Industrial Drives & Control and Power Systems for the working academicians and engineers. A new PG program in Power Electronic Systems is introduced in the year 2008. The Part-Time Ph.D. program in Electrical Engineering is being offered since 1972. The department is accredited by NBA.

Programme	Faculty In Charges	Advisors from Retired Professors	Advisors from Alumni
Inaugural function of Platinum Jubilee Celebration & National Workshop December 2023	Dr. N. Srilatha 9912041450 Dr. G. V. Naga Lakshmi 9492047114	Prof. Garudachar 9972112587 Prof. P.V. N.
