

**Dr. P. Kamalakar**  
Associate Professor  
Department of Botany  
University College of Science,  
Osmania University, Hyderabad.

16 years of teaching and research experience in the Osmania University. Achieved several awards and rewards being NSS Programme Officer and NCC Commissioned Officer. Officially, a member of several Academic and Administrative committees. Additional responsibilities like In-charge Head and hostel warden taken as an opportunity to understand and resolve student related crisis. Fortunately, I had been a student of Osmania University before entering into teaching area. Learned teaching and research methods and could publish research articles in National and International Journals. Following a broad way of learning and understanding the science behind plant life, the research is being continued in the areas of Plant Physiology and Biochemistry aiming to achieve a need based goal.
