

Dr.M.V.Ramana Murthy, M.Sc., Ph.D.

Chairman, BoS in Mathematics

Email: mv.rm50@gmail.com

Areas of Research interest include computational Bio Fluid Mechanics, Fluid Mechanics, optical computing and Neural Networks, Developed Artificial Neural Networks for Certain Mathematical Transforms and also in the area of Digital image processing. Constructed kalmann filters for target estimation. Guided 30 Ph.Ds. and 10 M.Phils has 100 Publications presently.
