

Dr. C. Vishnuvardhan Reddy, M.Sc, Ph.D,
Professor & Chairman BoS in Physics
vvreddycholleti@gmail.com

Dr.C.Vishnuvardhan Reddy has completed his M.Sc with Engg. Physic & Instrumentation Physics and obtained Ph.D from osmania University. His subjects of interest are Electronics, Instrumentation, Microcontrollers, Computational Physics and Mathematical methods etc. His main Research interests are X-Ray diffraction and thermophysical properties of solids. He has published 50 papers in National and international journals and presented papers in national and international conferences. He has major projects funded by DRDO, UGC and UPE-OU. He has guided four students and six students are working for their Ph.D under his supervision. Presently he is working on fuel cell materials for SOFC applications and magnetic materials
